La Terrazza restaurant

El Ristorante La Terrazza is a panoramic restaurant located on the rooftop of the Eurostars Hotel Excelsior. It has an indoor section and an outdoors section in the roof garden, with incredible scenic views.

The restaurant offers Mediterranean and international cuisine, but still firmly rooted in Neapolitan culinary tradition.

A sunset cocktail is hugely popular among our more romantic customers at the L'Ottavo Cielo Bar (meaning Eighth Heaven), located above the other hotel's seven heavens.
